FROM THE DESK OF YOUR CDS

By: Arnessia King

Dear Parents/Guardians,
Welcome to Easterseals! I am excited about working with you and your child this year! Your child is going to have an exciting year of learning and academic exploration. We will form a partnership to help your child reach his/her full potential. It is important that your child sees that his/her parents and teachers are taking an active, caring role so s/he will want to become an active participant in the learning process. Let's work together to instill a love for life-long learning!

Please don't hesitate to call/email with any questions or concerns at any time throughout the year. I cannot help with something we're not aware of. I believe working together with the parents increases student success.

I am looking forward to a great year working with your child.
