Welcome back to school!!! I'm so excited to be part of your families this school year. I am happy to welcome you to the 2021-22 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. Our teachers will be sending twice a month home activities/ learning games, this is an amazing way to connect with home and school. Please reach out to the teachers if you do not received your home activity.
