FROM THE DESK OF YOUR CDS

By: Jennifer Hanner

Welcome back to school!! My name is Jennifer Hanner, I am the Child Development for the Head Start classrooms! I'm so excited to be a part of your school year this year. I am happy to welcome you to the 2021-22 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. Our teachers will be sending twice a month home activities/ learning games, this is an amazing way to connect with home and school. We will also be utilizing our Teaching Strategies app that your child teachers will be helping you set up. Through this, you will receive lesson plans, home activities, newsletters, second step letters and any information that needs to be shared. You will also be able to message your child's teacher. Please reach out to the teachers if you have not been set up or have not been getting any information or emails about Teaching Strategies or you can call me, and I will be happy to assist you. For the safety of everyone we are asking that you please wear a mask when you are on campus. Please remember our school hours are 8am -2pm. If you are going to be past 9am we ask that you call in to your child's classroom to let them know. This will allow us to be able to have someone meet you to check you in. Please also remember that our day ends at 2pm. This allows the teachers time to clean and sanitize the room daily.

We want this year to be the best for our families if you have any concern please feel free to contact me I'm always available to families.
