We Welcome Spring with open arms! This month we will continue our study on Gardening. Learning how we take care of a garden and even planting seeds ourselves. We will continue to work on letter recognition and writing our names. We will focus on preparing our pre-Kindergarteners with working on compound and rhyming words, letter sounds, addition and counting/sorting numbers. In Pyramid (Social-Emotional Curriculum) we will focus on using our words, thinking of solutions and speaking up assertively. Remember Spring Break is March 13th to the 17th and classes will resume the 20th. We are so proud of all your children are accomplishing!

Thank you for sharing your children with us!

For the month of March, we are talking about Paper. What different kinds of paper are there? How can we change paper? What can we do with paper? and How do people use paper? We will talk about Spring Break and what we will be doing on our breaks. We will talk about St. Patrick's Day and doing crafts.

As always, we are excited to watch our students learn and grow!
