# ABOUT US

Head Start/Early Head Start is a nationwide, federally funded program whose purpose is to promote school readiness by enhancing the social, physical, and cognitive development of children. Head Start encompasses Head Start preschool programs, which primarily serve 3- and 4-year-old children, and Early Head Start programs for infants, toddlers, and pregnant women.

Head Start programs prepare America's most vulnerable young children to succeed in school and in life beyond school. To achieve this, Head Start programs deliver services at no cost to children and families in core areas of early learning, health, and family well-being while engaging parents as partners every step of the way.

Early Head Start provides early, continuous, intensive, and comprehensive child development and family support services at no cost to low-income infants and toddlers and their families, and pregnant women and their families.

# HELP US ACHIEVE OUR VISION

EDUCATING CHILDREN,  
EMPOWERING FAMILIES,  
CHANGING COMMUNITIES.

Head Start/Early Head Start is a division of the Mid Florida Community Services, a mid-size nonprofit 501(c)(3) Community Action agency dedicated to eliminating the causes of poverty through a comprehensive service delivery approach. Ongoing funding and resources are primarily obtained from "pass through" grants originating at the federal and state levels. The agency also relies heavily on local donors, partners, in-kind contributions, fundraising activities, and volunteer support as a key strategy to long term sustainability.

## **The Head Start/Early Head Start Mission**

To provide, comprehensive early childhood services that enhance the lives of children and families to collaboratively foster school readiness and self-sufficiency.

Our programs promote school readiness of children ages birth to five from low-income families by supporting the development of the whole child. Our Head Start/Early Head Start programs are based in centers and schools. We believe in the support of children's growth and development in a positive learning environment through a variety of services, which include early learning, health, and family well-being through opportunities such as:

- Frequent medical screenings, immunizations and dental services
- Healthy nutritional assistance (including free meals & formula)
- Referral services for a range of individual child and family needs
- Opportunities for parents to participate in school decision making
- Diapering & Toilet Training (including free diapers)

# HOW YOU CAN HELP US

Let's start **right now**,  
let's make change in our community!

Thank you for taking the time to review Mid Florida Community Services Head/Start and Early Head Start programs. It is part of our mission to work with the community to establish valued partnerships that help enhance our organization and provide intrinsic value to your organization. As a valued partner, we promise to support, educate, and establish a means in which our businesses can work together to provide mutual benefit to all parties involved. We'd love to set up a meeting to further discuss opportunities to work together. Here are a few ways we could use your help:

## Volunteer

We gladly accept volunteers to work with our organization through hands-on participation, and the donation of services.

## Donate

As a verified 501(c)3 organization, all contributions to our organization are tax deductible. We are actively seeking in-kind and monetary support from our community.

## Support

We value our community, and invite you to join us at local community events, by sharing our company with others in the community, and through digital and verbal word of mouth!
