

October

Here's to another wonderful year at Indian River Blended Pre-K!

This month we have been invited to attend a field trip with VPK to explore a pumpkin patch!! The trip is on October 16 from 9am-1pm. Any parents that would like to join us are welcome. Please remember that both Volusia County Public School and Head Start have volunteer forms that should be completed before the trip. (information was shared during and after our parent meeting)

Field Trip permission forms, for the children to attend, are also due the first week in October. I have additional forms if anyone needs them.

We hope that this will be a fun adventure for our students to get hands on experience with farm and plant life.

Please feel free to contact one of us at any time.

September Attendance

Indian River Blended was in the top 3 schools for GREAT attendance!!

From the Desk of the CDS

Welcome to another wonderful Preschool year at Head Start!

Hello families and happy fall, hopefully we will see some cooler weather soon! My name is Jennifer Overley and I will be taking over for Krista as the CDS at Indian River. Krista isn't going far though and I am sure you will still see her as we make the transition. I am very excited to be here at Indian River! I have lived in the New Smyrna area for the last 26 years and am thrilled to be working in my hometown community. We may have even crossed paths before as we went about our daily lives. I look forward to officially meeting each and every one of you. I have already been in the classroom getting to know your children's smiling faces. I know we are going to have a wonderful year full of joy, laughter and learning!
