Mid Florida Community Services
Early Head Start

Response to COVID-19 Pandemic

All staff and children will have a temperature screening before entering the building

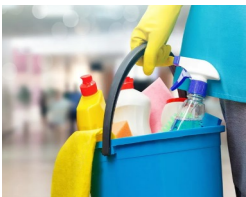

There will be no mixing/mingling of children from different classroom groups

Classroom teachers have been provided a mask. If you choose for your child to wear a mask, it must be provided by the parent and labeled with the child's name.

Increased frequency of hand washing and usage of hand sanitizer

Increased cleaning and sanitizing

Adults will practice social distancing

Parents/Visitors/Adults are not allowed inside classrooms.
